ANTOINETTE'S STORY HAS BEEN FEATURED ON

Why Hire Antoinette to be your Next Keynote Speaker?

Antoinette speaks to audiences about her firsthand experience of facing the ultimate challenge, being in front of an AK-47.

It is her goal to impart to schools, churches, and companies how her challenges and opportunities prepared her for that fateful day and the practical crisis management strategies she utilized to convince the deadly and imbalanced shooter that his life was worth living and that his best option was to put the gun on the receptionist's desk and surrender peacefully.

Soon after her heroic actions, Antoinette founded the non-profit, Kids on the Move for Success. Its mission is to provide under-served children scholarships, sTEAM (science, technology, engineering, arts and math) mentoring, field trips and travel opportunities which enable them to see the world through a new set of eyes and give them hope for a better future.
